ANGIE LENOIR

IT WAS ALL YOU WRITTEN AND PRODUCED BY ANGIE LENOIR

I was so young, so dumb/Got hurt, got fucked up/It
was so long, so long/Till I could break out and run/I
never knew what life was like/Until I fell apart and
cried/It messed me up inside/I still don't know
why/

I'm getting older/Look in my eyes/My hands get
colder/So does your lies/

(Oh oh oh)/Nothing felt true/
(Oh oh oh oh)/It was all you,
(Oh oh oh)/It was all you/

(Oh oh oh)/ I'm getting older
(Oh oh oh)/But I'm getting stronger/

I walked into the flames/For you, it was just a
game/I wish you felt the same/(Same)

(Oh oh oh)/Nothing felt true/(Oh oh oh oh)/It was
all you/(Oh oh oh)/It was all you/(Oh oh oh)/It was
all you/(Oh oh oh)/It was all you/(Oh oh oh oh)/It
was all you/It was all you/

WRITTEN AND PRODUCED BY ANGIE LENOIR

SO LONG, SO HARD

Everything felt like a dream/Even the first time I have seen you/Is there
something wrong with me
/(Yeah)/I wish you could tell me what to do/

It's been so long/It's been so hard/I've crossed my heart and hoped to die/To
not get caught up in my lie/Any more/Any more/

I fell deep in your eyes/And ended up in your ocean's sky/I kept it hidin' deep
inside/(Deep inside)/Hoping every single day of my life/

It's been so long/It's been so hard/I've crossed my heart and hoped to die/(To
die)/And not get caught up in my lie/(My lie)/Any more/Any more/

The way you look back at the door/The way you look at me like you want
more/And when you grab my hips,
Wish I could feel those lips/

I've been crying/I've been hurting/I've been trying to tell you/(I've been trying
to tell you)/I've been crying/I've been hurting/I've been trying to tell you/

'Cause it's been so long/And It's been so hard/I've crossed my heart and
hoped to die/ (To die)/
To not get caught up in my lie/ (My lie)/Any more/(Oh, oh)/Any more/(Oh, oh)/

I've been crying/I've been hurting/I've been trying to tell you/(I love you)/I've
crossed my heart and hoped to die/
To not get caught up in my lie/Any more/Anymore/

WRITTEN AND PRODUCED BY ANGIE LENOIR **BRUISES**

It was summer time, the air was warm, it was good
times/Thought i knew you like an open book/ I was wrong,
so wrong/I tried to run away/But I stayed/It was your
fault/You walked away/Nothing explained/Left me to rot/

You couldn't look me in the eye/Guess it was too hard for
you/I'm doing better, but I still cry/Cause I can still feel
your bruises/Bruises/Feel your bruises/Bruises/

(Oh oh oh oh)/Cause I can still feel your bruises/(Oh oh
oh)/

You told lies/I got scared/I couldn't move/You took
everything/What were you trying to prove/Years passed,
and I can't forget/Every single thing you did/Cause you
left your memories on me with/

Bruises/Bruises/With your bruises/Bruises/

You took me for granted/I did things I didnt wanted/Now
it belongs in the past/Years I can't take back/Oh, I can't
take it all back/Because of those bruises/

(Oh oh oh)/Bruises/With your bruises/Bruises/(Oh oh)/

Bruises/(Oh oh oh oh)/

It was summer time, the air was warm it was good
times/I'll get better/Do everything/At least I'll try/

time bomb/A time bomb/

RIGHT BACK HERE WITH YOU

WRITTEN AND PRODUCED BY ANGIE LENOIR

La la da da da la da/(Justo de vuelta aquí contigo)/

Time grew cold between you and me/Nothing felt right, I couldn't
even smile/So many times without you/Felt so lonely/Thought I lost
you for a while/I was brought down and hid from you/I didn't wanna
show my face/I was a mess, I was a wreck/Didn't know what to do/

But now I'm right back here with you/Now everything is falling into
place/I imagined us with no regrets/I'm back up on my feet/Writing
words on my sheets/To sing a long with you/So sing a long with me/

Dum di dum di dum/Dum di dum di dum di dum dum/(2x)

Thing's got crazy I couldn't pull through/I needed wings to fly back
to you/(Back to you)/It felt like thousands of years that I haven't felt
your love/I hadn't felt your touch/

But now I'm right back here with you/Now everything is falling into
place/I imagined us with not regrets/I'm back up on my
feet/Writing words on my sheets/To sing a long with you/So sing a
long with me/

Estoy de vuelta en mis pies/Escribir palabras en mis hojas/

Im right back here with you/To sing a long with you/

Dum di dum di dum/Dum di dum di dum di dum dum/(6x)

YOUR SONG (Private session).

WRITTEN BY ANGIE LENOIR/RECORDED BY UNDERGROUND STUDIOS

(Piano intro)

The heat's burning fast/I hope you make it
last/Friends or not/I don't care/Need you
there/Made my heart stop/Show the world what
we're not/Guide me through all those lines your
hips draw/

Could lay down all day long/For hours now maybe
life long/Hear you breathe, there is nothing
wrong/Can I somehow borrow a kiss/Won't give it
away/That's a promise/We're like kids who don't
know where to belong/I don't know how to tell
you/So here's a song/

Time's passing by/Didn't move for a while/Fell
asleep by your side/By your side/Killed by your
smile/Gave me chills down my spine/You kissed
me and blew my mind/

Could lay down all day long/For hours now, maybe
life long/Hear you breathe, there is nothing
wrong/Can I somehow borrow a kiss/Won't give it
away/That's a promise/We're like kids who don't
know where to belong/

I don't know how to tell you/I don't know how to
tell you/I don't know how to tell you/So here's a
song/
